News Alert: Important Information Regarding Minimums for Credit Card Transactions

Dear Valued Merchant,

Effective immediately, merchants are permitted to establish a minimum dollar value for accepting credit cards. The minimum may not exceed \$10 and applies to credit cards only, not PIN or signature (non-PIN) debit or prepaid cards.

If you plan to post a minimum purchase sign in your establishment, it must state, for example, "Credit card sales require \$5.00 minimum purchase."

For more information regarding minimums on credit card transactions and what it means for your business, contact Heartland at 866.941.1HPS (1477).
